

NetApp Training Units are Credit Units which can be used to purchase NetApp training for scheduled or onsite training.

You can purchase T.U. directly at NetApp or at Altimate in quantities of 1, 10, 20, 50, 100 or 200 units with a validity date of 12 months. (1 day of classroom = 12 training units).

Redeem your T.U. at Altimate. When booking please provide Altimate with the Purchase Order number you received after purchasing your T.U.. Altimate will verify this Purchase Order number at NetApp and confirm your registration.

If you would like to pay with T.U, please make sure you have a NOW (NetApp On the Web) Account. A NOW Account – which only requires the usual registration details – can be set up at <https://login.netapp.com/oamforms/login.html>

Regular way of invoicing is of course valuable.
